MEMORANDUM FOR: Chief, Contract Personnel Division, CP

SUBJECT: Consultant - [REDACTED] 25X1A

25X1A

[REDACTED] has submitted a Statement of Employment and Financial Interests in connection with his utilization as a consultant by this Agency. I have reviewed this Statement carefully and have discussed it with the DD/R, who will be in charge of the utilization of [REDACTED] by this Agency. At the present time I am of the opinion that the proposed utilization presents no conflict of interest, but there is one circumstance which raises a potential problem, depending on the possible future utilization in certain areas. I am writing a memorandum to the DD/R in this connection and have already discussed the matter with him. We are in agreement that prior to any utilization which would create a possible problem the matter will be thoroughly discussed with this office.
